REMARKS

Applicants would like to thank the Examiner for the Notice of Allowance dated November 2, 2004, indicating that claims 1-19 of the present application are allowed. In reviewing the allowed claims, Applicants noted a clerical error in claim 16, namely the addition of "code" in conjunction with "prescription approval". The term "prescription approval" is found in claim 1, from which claim 16 ultimately depends, as well as throughout the specification, for example, at page 15, paragraph 47. Applicants hereby respectfully request entry of the foregoing amendment to correct this clerical error. No new matter is presented. This amendment is being filed before the payment of the issue fee. If the Examiner has any questions, he is invited to contact the undersigned at the number provided below.
